Come listen to Detective Jim Wood give a presentation about his experience during the investigation and trial of Kermit Gosnell, the world's most prolific serial killer of late-term unborn babies.

This presentation is dedicated to the memory of Kathy Cox who was president of the Bucks County Right to Life until her death this past July. It was Kathy's wish to have Detective Wood give a presentation in our area on his involvement in this case.

This event is sponsored by the Bucks County Right to Life. We will follow the social guidelines provided by the CDC and the State of Pennsylvania.
